

Sertoma American Flag Program

Here is an opportunity to display your National Pride and support our country and community!

Have you noticed American flags flying around Georgetown on National holidays? These flags are provided by the Georgetown Sertoma club. We have many organizations participating and we would like you to join us in this display of our patriotic spirit.

Sertoma will place a 3 x 5 foot American flag on your property on each national holiday. Flags will not be displayed in inclement weather. Sertoma will maintain the flags and store them between uses. The flags remain the property of Sertoma.

Flags will be displayed on:

Martin Luther King Day

Memorial Day

July 4th Independence Day

Patriot's Day – September 11

Pearl Harbor Day

President's Day

Flag Day

Labor Day

Veteran's Day

The money received from our flag program is returned to the community. One use is to provide medical expenses for Georgetown children with hearing and speech impairments. Sertoma has an international focus on speech and communication disorders.

The current fee is \$75 per year. Make your check payable to Georgetown Sertoma Club, and mark it "flag program". If you have questions about our flag program, please email info@georgetownsertoma.org.

For more information about Georgetown Sertoma Club, visit our website at www.georgetownsertoma.org. We are always looking for people like you!

Thank You!
