

SERTOMA American Flag Program

Here is a wonderful opportunity to display your national pride and support our country!

Have you seen the American flags flying proudly around Georgetown on national holidays! Doesn't it make you feel proud to be an **American**? Proud to be **FREE**? This feeling of pride and freedom is due in large part to a program of the Georgetown SERTOMA Club. We currently have over 120 Georgetown businesses participating and we'd like you to join us in our community's display of our **patriotic spirit**!

An American flag flying majestically in front of your business is a highly visible sign of your patriotic spirit. As a participant of the Georgetown SERTOMA Flag Program you will receive a 3 x 5 foot flag that will be mounted and dismounted by SERTOMA members on each of the following national holidays:

January 17, 2005	Monday	Martin Luther King Day
February 21, 2005	Monday	President's Day
May 30, 2005	Monday	Memorial Day
June 14, 2005	Tuesday	Flag Day
July 4, 2005	Monday	Independence Day
September 5, 2005	Monday	Labor Day
November 11, 2005	Friday	Veteran's Day

Not only will your flags be displayed, stored and replaced, as necessitated, by SERTOMA volunteers, we have business sponsors to:

- clean the flags when necessitated -- **Quimby Lake Air Cleaners**
- stored the flags -- **D&L Printing**

- assist with the creation of flag pole locations -- **Mitchell Rental**

NOTE: The flags remain the property of the Georgetown SERTOMA Club and will not be displayed in inclement weather.

It doesn't get any easier to show your COUNTRY PRIDE!!! You get all this for a \$75 annual subscription AND it helps pay for the medical expenses of needy Georgetown Children with hearing and speech impairments. The correction of communicative disorders being a major focus of the SERTOMA organization.
